Via Giulia 13, 00186 Rome

In collaboration with **Rome Film Fest 2023**, Von Buren Contemporary is delighted to host the photographic solo exhibition **INTERIORS** by Italian artist **Chiara Caselli**.

... She has photographed the infinite in the sky and the sea, communicating about herself with purity, and obstinacy. She returns now with sophisticated and fascinating images in a story woven from absences.

... when an artist interprets every person's thoughts, it means that he or she is an artist. When you read Leopardi, what you read is about him, but it is also about you. His infinity is our infinity too. Now, in these rooms created by Chiara, you will see yourselves, you will find a part of your soul...
