**Von Buren** Contemporary is delighted to present *Once upon a time...*, a rich and varied Christmas gallery event featuring the work of six chosen artists: Lucianella Cafagna, Maria Pilotto, Claire Piredda, Sofia Podestà, Saro Puma, Giulio Rigoni, Joe Scott and Christina Thwaites.

With its diversity of genres including painting, drawing, sculpture, photography and Limited Edition Fine Art Prints, and with many of these artworks priced under 1,000 euros, *Once upon a time...* hopes to immerse visitors in a festive, fairy-tale atmosphere and help them find their ideal Christmas gift!

Top Gallery artist **Lucianella Cafagna** will present two previously unseen works together with a new collection of Limited Edition Fine Art Prints showcasing some of her most acclaimed paintings.

The watercolors on paper of **Maria Pilotto** will add a touch of tenderness to the show, with moments of family warmth recalling the conviviality of Christmas.

Sculptor **Claire Piredda** will present her enchanting new sculptures in painted terracotta, while thanks to photographer Sofia Podestà, we can plunge into enchanting snowy landscapes inspired by German fairy tale Frau Holle by the Brothers Grimm.

The poetic drawings of **Saro Puma**, meanwhile, captured moments of enigmatic solitude, softened by the pastel shades typical of his pictorial production.

Gallery newcomer **Joe Scott** will present a series of small wax sculptures that celebrate the main historical monuments of Rome with a surprising wealth of details.

**Christina Thwaites** meanwhile has created a captivating series of flower paintings and interactive magnetic works which allow the viewer to ‘change the picture’.
